

Notice of traffic management on A4091 Tamworth Road and Bodymoor Heath Lane

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

We will be carrying out utility, topographical and drainage surveys. To complete the surveys a team of engineers will visit the location and record what is present in the area and carry out trial trenching, which will involve digging into the ground to establish what is underneath the surface. This will provide us with information which we need to assess as we develop our construction plans.

When these works will take place

These works will take place between 23 November and 17 December from 9.30 am to 3.30 pm. To complete these works safely we will install the following traffic management:

- Bodymoor Heath Lane – Tuesday 23 November to Friday 26 November (3-way traffic lights)
- A4091 Tamworth Road – Monday 29 November to Friday 3 December (Northbound closure from the Belfry Island to Church Lane)
- A4091 Tamworth Road – Monday 6 December to Friday 17 December excluding weekends (Single lane closures)

We will have a signed diversion route in place, where required, and access will be maintained to properties and businesses.

HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

These surveys will take place between 23 November and 17 December 2021.

Our working hours will be 9.30 am to 3.30 pm (Mon-Fri).

Our workforce may be on site one hour before and after to set up and take down our work equipment.

What to expect

Traffic management on local roads while we complete these works.

We will install signage on the roadside.

Some low level noise will be generated from the work we are completing.

What we will do

Inform you in advance of any changes to the date(s) shown.

Keep all sites safe and secure.

Ask you to register with hs2inwarwickshire.co.uk to receive updates.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
