Notice of temporary road closure and footpath diversion, Banbury Lane, Lower Thorpe Mandeville

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

As part of our continued preparatory works for our internal haul and access roads we will close Banbury Lane for approximately four weeks.

In the area where our internal access roads cross the highway, we will create a strengthened surface using concrete to ensure that we protect the road and any utilities underneath. It is also necessary to remove vegetation to enable future works to continue and to allow access to areas of the site.

Our initial work on Banbury Lane will be to assess what reinforcement is required using trial holes. Depending on the outcome of these surveys, we will require the road to remain closed while the reinforcement work is completed.

A public right of way, footpath BB11, from Magpie Farm to Lower Thorpe Mandeville, will be temporarily diverted to a new entry / exit point onto Banbury Lane. This is to avoid footpath users entering our construction area.

When will these works take place?

Banbury Lane will be fully closed, 24 hours a day, from Monday 22 November to Thursday 16 December, with a diversion in place. This is the maximum duration of the closure. We will endeavour to open the road earlier if possible, depending on the progress and extent of reinforcement work required.

The short diversion of footpath BB11 will commence on Monday 22 November and last for a period of approximately 4 years.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Where will the works take place?

The map below, shows the closure on the Banbury Lane and local diversion. The diversion will be in place for approximately four weeks commencing, Monday 22 November. We will endeavour to open the road earlier if possible, depending on the progress and extent of reinforcement work required.

A public right of way, footpath BB11, from Magpie Farm to Lower Thorpe Mandeville, is located close to this closure area and will be diverted it to a new exit further north along Banbury Lane. A map of this footpath diversion is available on the following page. Footpath users who exit the footpath onto Banbury Lane will be able to continue north in the Culworth direction. However, there will be no access possible through the Banbury Lane closure area.
