

# Works on Stanhope Street and Harrington Street

November 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at [HS2inCamden.co.uk](http://HS2inCamden.co.uk)

## Pedestrian site access install on Harrington Street – 22 November to late-December

We previously informed you we will install a 24/7 pedestrian site access next to Langdale in Harrington Street. This is the safest place for people to access the site office away from major working areas and construction vehicles.

We will close the footway behind Langdale, and a section of Harrington Street near our hoarding, from 22 November to late December. Harrington Street is currently closed near Mackworth Street until 22 November to complete a sewer connection.

We can maintain pedestrian access to the Langdale footpath until 6 December. After 6 December, we need to close the footpath to pedestrians for two weeks whilst we safely install a fence.

To create the pedestrian access, we will temporarily remove a section of the hoarding and use an excavator to level the ground in this area. Then we will install a new concrete walkway, site access gates and a security cabin beside the entrance for safety and security. Finally, we will reinstate the hoarding on Harrington Street.

The works will be noisy and we apologise in advance. We will surround the working area with acoustic barriers to limit noise as much as possible.

We also need to disconnect the utility services on the back of the hoarding before we start these works. We will carry out this utility work onsite on Wednesday 17 November, from 6pm to 10pm. This work will be quiet.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)**

## Hoarding and fencing works on Stanhope Street – 29 November to late-December

From 29 November, we will replace a section of hoarding between Stanhope Street and Langdale footpath with fire-proof hoarding. We will also replace the fence and barriers around the substations on Langdale footpath with a permanent fence.

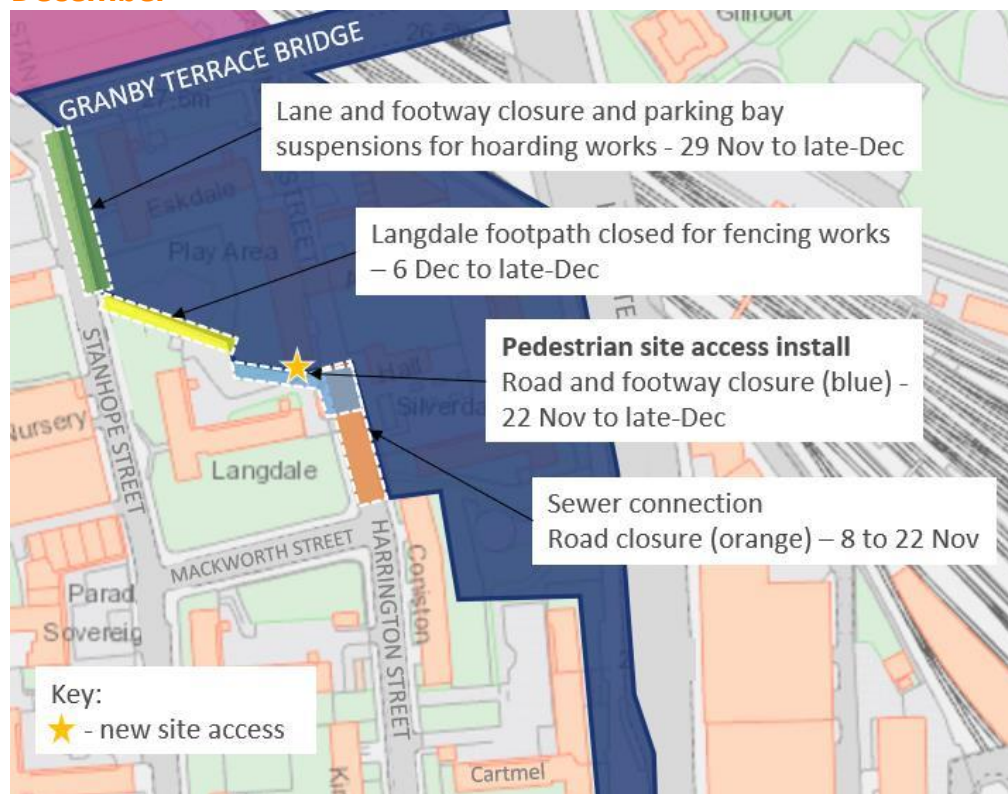

We will require a lane and footway closure at the northern end of Stanhope Street while we carry out these works, temporary traffic signals will be in place.

As noted above, the Langdale footpath between Stanhope Street and Harrington Street will be closed from 6 December for two weeks whilst we safely install a fence.

The works may be noisy, and we will surround the working area with acoustic barriers.

We expect these works to take three weeks.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
