

Notice of planting, Windmill Hill, Ladbroke

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. Further to the Covid-19 restrictions being relaxed we are now beginning to plan for future face-to-face engagement events and meetings. Whilst we continue to move forward, we will continue to communicate with communities via letters, online meetings and phone calls. You can sign up for regular updates in your local area at www.hs2.org.uk/in-your-area

What we are doing?

We will be planting circa 3000 additional saplings to those that were planted in February 2021. They are all native local species and include hawthorn, spindle and crab apple. There will be ongoing maintenance and management visits to ensure the trees are growing and maintained.

A small welfare area will be set up adjacent to the site that will include the installation of track matting, a security cabin, a parking area and a small amount of mobile welfare for the workforce.

Access to the planting area will be via Ladbroke Hill Lane.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
