

Notice of installation of traffic lights on the B4525 Welsh Lane, Greatworth

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. Further to the Covid-19 restrictions being relaxed we are now beginning to plan for future face-to-face engagement events and meetings. Whilst we continue to move forward, we will continue to communicate with communities via letters, online meetings and phone calls. You can sign up for regular updates in your local area at www.hs2.org.uk/in-your-area

What are we doing?

Since September 2021 we have been working in the Halse Copse area, this has included installing a site welfare, laydown area, small car park establishment, construction of an access road alongside the Copse for future works and the Halse Copse translocation works.

As work has continued in the area and in the interest of health and safety for users of the highway, we are going to install temporary two-way traffic lights from the work access point onto Welsh Lane (B4525), these will be **manually operated and only in use when we have large vehicles entering or leaving the site.**

The lights will be installed on the

22 November 2021 until 23 December 2021 (Monday to Friday)

and will be operational **between the hours of 09:30am and 3.30pm.**

The road will open as normal outside of these times

Please see location of traffic lights on the map enclosed
