

Notice of video survey at Hanchurch Roundabout and surrounding roads

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Working on behalf of HS2 Ltd, Balfour Beatty is carrying out surveys and along the route of Phase 2a.

What we are doing

We need to set up some temporary video cameras at various locations, including:

- Newcastle Road and Whitmore/ Trentham Road junction
- South of Hanchurch roundabout/ start of Newcastle Road
- North verge of A500
- North of Hanchurch roundabout/ start of Clayton Road
- Opposite the footpath linking Clayton Road and Melville Court.

The cameras will face the highway and will help us calculate traffic and pedestrian counts. We will use this information to help us inform the design of the junction widening work.

How will this affect you?

We will attach the cameras securely to existing lampposts/ signposts first thing in the morning. We will leave them in place for one day before removing them the following morning. To maintain your privacy, we have taken every effort to ensure that the position and direction of the cameras prevents them from filming of private residences. We will install the cameras using the existing footpaths/ crossings and will not need to put any additional traffic management measures in place.

You may see our operatives installing the cameras and taking them down. We will make sure that we do this as safely as possible without affecting pedestrians' journeys.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Community and Business Funds

Two funds are now open for applications from local communities and businesses affected by the construction of HS2. They are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF). £5 million has been allocated to the funds for phase 2a of the railway.

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation
