Notice of temporary daytime road closures on the B4115

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Temporary daytime road closures on the B4115

There will be temporary daytime road closures in place on sections of the B4115. This is to allow safe access to our work sites to complete roadside vegetation clearance for future construction works.

The road will be closed in two sections from **Monday 13 December to Friday 17 December** between **09:30am** and **3:30pm** and between **09:30am** and **1:30pm** on **Saturday 18 December**.

Access to properties and businesses will be maintained while these works progress. Residents of Crewe Lane will need to travel via Glasshouse Lane while works are taking place to the south of the junction between Crewe Lane and the B4115. Only one section of the road will be closed at any one time and access to Crewe Lane will be maintained throughout.

Our teams will be on site one hour before and one hour after the works to set up and secure the site at the end of each day. Please see the map overleaf for more information. This work is subject to gaining the appropriate consents.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses in Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: www.groundwork.org.uk/hs2funds

About our Community websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe. It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our community sites currently serve Birmingham, Solihull, Staffordshire and Warwickshire. To find your local community website, visit: www.hs2.org.uk/in-your-area

For further information about Phase 2a and Phase 2b, visit: www.gov.uk/government/organisations/high-speed-two-limited

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:

complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
