

Notice of temporary closure of Truggist Lane

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work will we be doing

On Tuesday 4 January 2022, we will be installing traffic lights for the plant crossing on Truggist Lane. In order for us to carry out these works safely, we will put in place a full closure on Truggist Lane. The closure will be in place from 8.00am until 6.00pm. Should the works be completed prior to this then we will look to open the road sooner.

These works are subject to weather conditions. We will also keep you updated through www.hs2insolihull.co.uk. **Please see map overleaf.**

HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue, as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
