

# Notice of ground investigation surveys – Bromford Drive

November 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty Vinci is working on behalf of HS2 Ltd to build the new railway in your area.

## Upcoming ground investigation surveys

We will be carrying out ground investigation surveys in the locations on or near to Bromford Drive, as shown on the location map overleaf, from 24 November until 31 January 2022. Works will stop during the Christmas period (23 December 2021 until 6 January 2022).

These surveys will help us to understand more about the ground conditions where we want to build the new railway. The surveys will involve boring trial holes and taking soil samples in different locations. To complete our survey works we will transport drilling rigs to site by trailer. Drilling rigs will then be positioned on site and our workforce will travel to site every day by a 4x4 vehicle.

## HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within Public Health England and construction industry guidelines.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

From 24 November 2021 until 22 December 2021.  
Again from 7 until 31 January 2022

Working hours 8am – 6pm, Monday to Friday and 8am – 1pm on Saturdays.

Our workforce can be on site up to 1 hour before work begins to set up the site and again afterwards to take down our work equipment.

## What to expect

We will install temporary fencing to our work sites in the area where we are working.

Low levels of noise from work we are completing.

## What we will do

Continue to keep public safety and that of our workforce as top priority.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.  
[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:  
[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at:  
[residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
