

Notice of Road Closure: Old Oak Common Lane

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

Old Oak Common Lane temporary night-time closure: 6-7 December 2021

We are temporarily closing Old Oak Common Lane between Wells House Road and Wulfstan Street to all traffic, from 9pm on Monday 6 December to 6am on Tuesday, 7 December 2021. This is to enable us to safely carry out maintenance and replacement of the existing Traffic Management on Old Oak Common Lane, including barriers and signage.

There will be a diversion in place via Victoria Road (map overleaf). Bus stops on Wells House Road will be closed and buses will be on diversion during the works. Vehicle access to Wells House Road will be maintained throughout the closure. Access will be maintained for pedestrians, and cyclists will be asked to dismount and walk their bikes through the closure.

As a result of the closure and associated bus diversions, we will be providing transport for Wells House Road residents who are older people, disabled people, those who have small children, or people with access needs. Details of this service will be sent separately to Wells House Road residents.

Although this activity is not anticipated to be noisy, there will be vehicle movements and people working on Old Oak Common Lane during the closure.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
