

Notice of CCTV Surveys –Pennine Way, High Street and Crawford Street

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty Vinci is working on behalf of HS2 Ltd to build the new railway in your area.

Upcoming drainage inspections

We will be carrying out a series of drainage surveys in locations along Pennine Way, High Street and Crawford Street from Tuesday 7 December to Friday 10 December. Dates are subject to the progress of the surveys programme.

These surveys will help us to plan where utility diversions will be required as we prepare to construct the railway in Birmingham. Drainage inspections are non-intrusive surveys, which means that the inspection will only consider that which is visible and accessible. An operative will lift the manhole cover, use a sewer camera to examine the underground pipes and then replace the cover.

Road and lane closures

To be able to carry out these inspections safely and effectively, we will need to put in place an overnight road closure along a section of Crawford Street on Tuesday 7 December and Wednesday 8 December.

We will also need to put in place an overnight road closure on Pennine Way along with an overnight lane closure and temporary traffic lights along a section of High Street on Thursday 9 December and Friday 10 December.

These closures will be in place from 9.00pm to 5.00am. Access to properties and businesses will be maintained at all times.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
