

Traffic management on Shaw Lane, near Kings Bromley

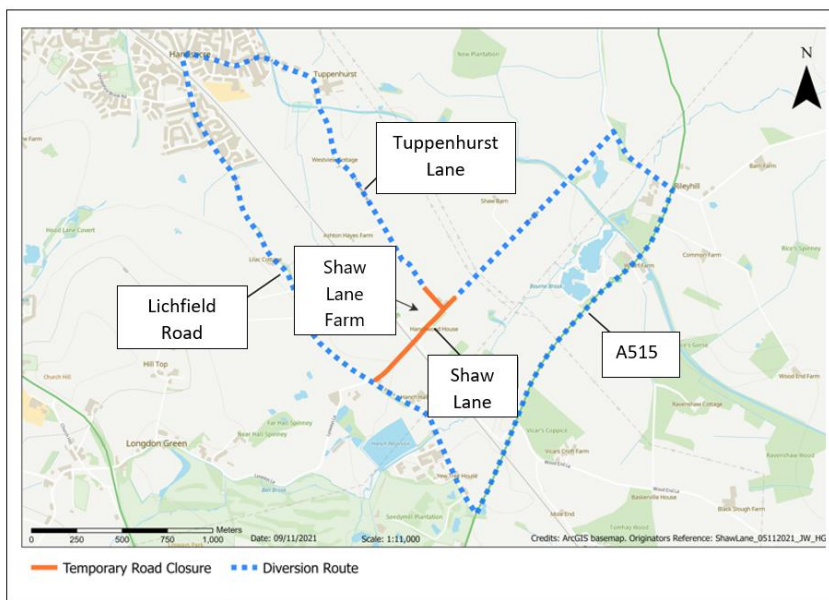

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we are doing

From Monday 20 December 2021 until Tuesday 21 December 2021, we will be completing ground penetrating radar surveys to help us understand more about the ground conditions where we are building the railway. To enable us to do this safely we need to close Shaw Lane, with a fully signed diversion route in place (see map below). The working hours will be from 9:30am to 3:30pm with an additional hour at the start and end of the working hours to set up and secure our equipment.

Access will be maintained to all properties.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
