Work on behalf of HS2 Ltd – Chorlton Lane to open evenings & weekends with immediate effect

I wrote to you in December to update you on our traffic management plan. Since then, we've made good progress on-site, largely due to the long dry spell during January, which means we've been in a position to reorder the sequence of planned works.

Therefore, we're now in a position to bring the following traffic management on Chorlton Lane into force immediately:

- Chorlton Lane will be closed from 7am until 5pm Monday to Thursday – **this means from Monday to Thursday, the road will reopen for motorists from 5pm to 7am**
- On Fridays, Chorlton Lane will close from 7am until 4.30pm – **this means motorists can use the road from Friday evening and over the weekend, until the following Monday morning at 7am**

The road closure will remain in place, during the hours stated above, until 3 March 2022. We'll provide an update in the next few weeks.

As I previously communicated to you, while Chorlton Lane is closed, traffic will be diverted along Waybutt Lane and Newcastle Road. We've also installed/modified seven passing bays on Waybutt Lane, as requested by Cheshire East Council. An additional passing place on Waybutt Lane will also be installed over the coming days. We'll continue to use a road sweeper during the working week along Waybutt Lane to help keep the road clear for vehicles.

If you have any questions about our work or role on HS2, please contact our Community Relations team. They're available daily from 7am-7pm on 0800 073 1047. Alternatively, you can email HS2.Info@nationalgrid.com. For safety reasons, we'd be grateful if you don't visit our site or approach our contractors directly.

If you have a general enquiry regarding HS2, please call the HS2 Freephone Community Helpline which remains operational all day, every day, and is your first point of contact should you need advice or information from HS2. The Helpline is available at HS2enquiries@hs2.org.uk and telephone 08081 434 434. A Freephone Minicom service is operated on 08081 456 472 for those with hearing difficulties. You can also write to them at: HS2 Community Hub, High Speed Two (HS2) Ltd, Two Snowhill, Snow Hill Queensway, Birmingham, B4 6GA.

Yours faithfully

Mark Whittaker
