

Gas pipeline diversion work at Pipe Ridware

TX26 HS2 gas pipeline diversion

Extracts from the local traffic management plan detailing works affecting highways and footpaths.

High Speed Two (HS2) is the new high-speed railway for Britain. To allow for the build and operation of the new railway, National Grid is legally required to move some overhead lines, pylons and gas pipelines along the HS2 route.

The new HS2 railway will pass above one of our existing gas pipelines at Pipe Ridware, between Alrewas and Weston Bank. To ensure the pipeline continues to operate safely and reliably, we need to divert it. None of our work will affect gas supplies.

Works affecting highways

In consultation with Staffordshire County Council, we've considered the most efficient and safe way to carry out this work to reduce the impact on road users and the local community. Where road closures are being implemented, this is the only option available to ensure the safety of our contractors and we apologise for any inconvenience caused. The arrangements to manage these works are as follows:

- **From 28 January to 18 November 2022 Common Lane/Pipe Lane (School Lane)** will have junction traffic management. We'll install traffic signals for the duration of the diversion work.

- **From 24 January to 28 October 2022 Pipe Wood Lane** will have traffic management. We'll install two-way traffic signals at the plant crossing.
- **From 4 April to 7 October 2022 Dawson Lane** will be closed and diverted, as shown below. We'll close the road and put a diversion in place for the safety of our workforce, local people and road users.

No amendments to traffic, bus, cycle, walking and riding routes.

Indicative schedule for gas diversion works:

December 2021
Works to start

Autumn 2022
Works to be completed

Contact National Grid

Please call our community relations team if you have any queries about our work or our role on HS2.

Gas pipeline diversion work at Pipe Ridware

Public Rights of Way (PRoW) closures

We'll also need to temporarily close a couple of Public Rights of Way (PRoW) in the interest of safety of users of these routes:

Mavesyn Ridware 32 (with a diversion) and Mavesyn Ridware 33 from 7 March until 7 October 2022.

We'll post notices in advance of the closures at each end and on connecting footpaths.

We have permission from Staffordshire County Council for the closures and diversions.
