

Notice of utility surveys at Great Central Avenue

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

You can sign up for regular updates in your local area at www.hs2inhillington.co.uk.

What we are doing

We wrote to you previously to advise you that we would be carrying out utility surveys in October. However, these works did not go ahead as planned and have now been rescheduled to take place on 23 November 2021.

We will investigate the condition of the sewer system at the corner of Great Central Avenue and Cedar Avenue, in the area shown on the map overleaf. This will help to inform our design decisions in the area.

We will use a CCTV camera mounted on a small robot. Should we find a blockage we may need to flush the drainage system using a high-pressure water jet to carry out the investigation.

How the surveys might affect you

Temporary traffic management will be in place to ensure the surveys can be carried out safely.

Your utility services will not be affected.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

23 November 2021
between 8am and 6pm

We may be on site for an hour before the start and end of the shift

What to expect

Temporary traffic management, operatives and surveying equipment (including a CCTV camera) will be present, as well as a water tanker should we need to clear a blockage

What we will do

Maintain access to your property at all times and keep disruption to a minimum

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
