Headhouse and shaft
We are continuing works to build the headhouse and vent shafts at the Mandeville Road site. This includes works to build the walls for the headhouse, such as concrete works, groundworks, and steel installation.
Core hours

Saturday extended hours 8am to 5pm. Activities will include sewer works, the use of the tower crane and excavator for earth works. Noisier works to take place between 8am and 1pm (core hours) where possible.
