

# Utility surveys on Park Royal Road West

December 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

## Additional utility surveys on Park Royal Road West

We will be carrying out additional drainage surveys in your area. These surveys will help us to understand the condition of the drainage system in the area and how best to protect it during construction of the railway.

We will investigate the condition of the sewer system via a series of manhole covers using a camera and may need to flush the system if any blockages are found.

You may also notice some noise from the tanker jet wash which will be on standby should we need to clear any blockages. Your utility services will not be affected during these works.

Surveys will take place during the hours of 8am to 6pm from 17 to 21 January 2022. A map showing the location of these works can be found on the following page.

To ensure the safety of our workers and the public we will need to suspend three parking bays on Park Royal Road near lower park to gain access to the manhole covers as well as erecting safety barriers around the manholes and working area at various locations as shown on the map. Access to residential garages on Park Royal Road will be maintained.

We will also need to carry out additional ground investigations on Park Royal Road from mid-January 2022. We will provide further details once the works programme has been confirmed.

Dates and activities mentioned in this notification may change, we'll keep you updated of any changes via post and at [HS2.org.uk](http://HS2.org.uk).

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.  
[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:  
[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at:  
[residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
