

Update: Installation of SCSJV conveyor system

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

Installation of conveyor bridge within the Flat Iron site

We are continuing works to install the conveyor system within SCSJV sites in the Old Oak and Park Royal area. During December 2021, we will begin to receive and install the conveyor elements within our Flat Iron site on top of the conveyor towers that have already been installed.

These works require the use of a 70-tonne crawler crane which will be used to lift and position the conveyor elements safely into place.

Work will take place during our core hours of 8am to 6pm Monday to Fridays and 8am to 1pm on Saturdays if required.

The approximate location of these works is shown on the following page.

Speak with your engagement team

You can contact our local engagement team via the HS2 Helpdesk. We are also available to speak with you at monthly virtual one to ones in Old Oak and Park Royal.

To register for the next drop-in on 26 January, please visit www.hs2.org.uk/events/

If you need to speak with our local engagement team in December, please contact the HS2 Helpdesk.

There will be no construction activities taking place at our sites from Friday 24 December 2021 until Monday 3 January 2022.

During these dates, essential activities such as monitoring, maintenance and security will continue. You may notice some operatives in the local area.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Early December 2021 until the 23 December 2021

Working hours

Mondays to Fridays from 8am to 6pm

Saturdays from 8am to 1pm, if needed

We may be on site for an hour before the start and/or end of the shift

What to expect

The use of a crane for lifting operations

You will be able to see the convey structure from your properties (the actual future conveyor belt will not be visible)

What we will do

Advise our staff to be considerate of our neighbours

Continue to monitor our working methods to keep disruption to a minimum

Provide updates at HS2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
