

Notice of temporary road closure, Fiddlers/Snakes Lane, near Quainton

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2inbucksandbox.co.uk.

What are we doing?

As part of utilities diversion works, low level de-vegetation works will take place on a section of Fiddlers/Snakes Lane.

In order to allow the works to take place, it is necessary to remove vegetation to enable future works to continue and to allow access to areas of the lane. Once the works are complete the lane will be open as normal.

When will these works take place?

A section of Fiddlers/Snakes Lane will be closed, during working hours, from Monday 14 February to Wednesday 16 February, with a diversion in place.

We will work to reopen the lane as soon as possible.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
