

Notice of temporary road closures, A43 and Whitfield Road, Radstone update

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

As part of our continued works for the junction upgrade, we have been working on the A43 northbound and Whitfield Road, Radstone.

Beginning in April 2022, we have been carrying out work in this area that has involved temporarily closing a section of the Whitfield Road, Radstone (the section of road between Radstone and the A43) and the A43 northbound for:

- drainage works;
- utilities connections; and
- the removal of temporary concrete barriers and narrowed lanes on the A43 northbound.

We carried out a road safety audit of the Whitfield Road as well as the junction upgrade where the Whitfield Road meets the A43 northbound. Now that the audit is complete, signage will be installed and the narrowed lanes will be removed.

When will these works take place?

The A43 northbound will be fully closed overnight, from the Brackley BP roundabout to the Syresham Junction, from 8.00pm Sunday 4 September to 6.00am Monday 5 September 2022 to remove the narrowed lanes that are currently in place.

Once these works are completed, the A43 and Whitfield Road, Radstone will be open as normal.

Duration of works

Works commenced
Sunday 10 April 2022 to
Monday 5 September 2022.

Overnight working hours:
Sunday to Monday
8.00pm – 6.00am

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

What to expect

Overnight closures of the A43 Northbound for the removal of narrowed lanes.

Varied activities with both quiet and busier periods.

Noise from plant and equipment used for the works.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.
