December 2021 Update: Next phases of utility works in Victoria Road

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

Atlas Road Roundabout

Roundabout to be reopened from 22 December to 4 January 2022

The Atlas Road Logistics Tunnel Utility Protection works will continue at Atlas Road roundabout until 22 December 2021 when the site will be demobilised for the Christmas period. During this time the excavations in the road will be backfilled, reinstated and the four-way traffic lights removed from the roundabout until 4 January 2022. From 4 January 2022 works will resume at the roundabout under four-way lights. From the end of January, the site location will move from Atlas Road to Old Oak Common Lane, further information regarding these works will be made available in January 2022.

Victoria Road

Traffic management to remain in place during the Christmas period

CSJV will continue with the water commissioning works near to the Vehicle Holding Area at the southern end of Victoria Road, works will break up for Christmas on 24 December and will resume on 4 January 2022. The traffic management system will remain in place over the Christmas period. These works are due for completion in February 2022

We apologise in advance for inconvenience this might cause. Utility supplies and other services will not be affected by these works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works:

Notification

School Road

Traffic Management measures in place from 4 January 2022

From Tuesday 4 January until the 15 January CSJV will be carrying out Sewer Lining works in School Road, upgrading the local sewer network. These works will be conducted in phases, beginning to the west of School Road and progressing east before returning in the opposite direction along the opposite side of the road.

No excavations will be required during these works as the access to complete the sewer lining will be via manholes situated within the carriageway. While these works are carried out a closure of the School Road junction with Victoria Road will be in place for through-traffic on nights. School Road businesses will still have access to School Road entrances and be able to use School Road as a two-way road. A diversionary route will be in place via Chase Road and Chandos Road for any through-traffic. School Road will still be open with narrow lanes in place during the day

Virtual drop-in events in 2022

If you have any questions about these works, please join us during our next virtual drop-in. Further information on how to register will be sent to residents closer to the time. More information can be found at www.hs2inoldoak.co.uk.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain

Contact Us
