Notice of overnight lane closures along the M42 and exit slip road closure off the M6 junction 4

December 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by a joint venture between Laing O'Rourke and J. Murphy & Sons known as LM. In your area, we are working near the A452, A45 and M42, which surround the site of the future HS2 Interchange Station.

We're improving the local road network

When the future HS2 Interchange Station is operational, four new highways bridges will connect the current road network to new routes we are creating. The first of these new highways bridges was safely installed in August 2020 over the M42. This year, we'll carry out various activities to fully complete the construction of these bridges including monitoring before ownership is handed over to the highways authority.

We'll be starting work on Wednesday 15 December

To carry out this work safely, we'll install temporary, overnight lane closures along sections of the M42 northbound and southbound, from **10pm on Wednesday 15 December to 5am on Thursday 16 December**. From 10pm on Wednesday 15 December to 5am on Thursday 16 December, the hard shoulder along sections of the M6 northbound junction 4 link road to the M42 southbound junction 7a will also be closed, as well as the southbound exit slip road off M6 junction 4. A signed diversion route will be in place for road users during the exit slip road closure.

HS2 during the coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current strategy makes clear that construction activity can continue if it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
