

Installation of levelling points and Mill Lane closure, Chalfont St Giles

December 2021 | www.hs2.org.uk

Notification

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more.

Where and what are the works taking place?

We will be installing levelling points on the field below Mill Lane and on Mill Lane, Chalfont St Giles on Monday 10 January 2022. Once installed, these levelling points will have equipment within them to monitor the passage of our tunnel boring machines (TBMs) when they tunnel through this area later in 2022.

To enable us to carry these works out safely a road closure of Mill Lane will be required on **10 January 2022 from 9.30am to 3.30pm**. A clearly marked road diversion will be put in place to assist all road users.

A small number of vehicles will be used for the works.

We aim to meet our planned working dates, but these can change due to the impact of the weather or programme changes. We will do all we can to keep you updated.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Monday 10 January 2022, 9.30am to 3.30pm. We may also be on site for one hour start up and shut down outside of those times

What to expect

Closure of Mill Lane on Monday 10 January 2022

A small number of vehicles entering and leaving the site on the day when works are taking place. There may be some low noise from the installation works.

What we will do

Respond promptly to any queries or complaints and take appropriate action

Monitoring of works

On completion of the installation works, the equipment within the installation points will be monitored on a regular basis, and as the TBMs pass through, they will be monitored daily. This will be by a small team of site personnel. The monitors will remain in place for around three months following the passing of the TBMs.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
