

# Gas pipeline diversion work at Great Haywood

## TX28 HS2 gas pipeline diversion

Extracts from the local traffic management plan detailing works affecting highways and footpaths.

**High Speed Two (HS2) is the new high-speed railway for Britain. To allow for the build and operation of the new railway, National Grid is legally required to move some overhead lines, pylons and gas pipelines along the HS2 route.**

The new HS2 railway will pass above one of our existing gas pipelines at Great Haywood in two places, between Alrewas and Weston Bank. To ensure the pipeline continues to operate safely and reliably, we need to divert it. None of our work will affect gas supplies..

## Works affecting highways

We've assessed the most efficient and safe way to carry out our work to reduce the impact on road users and the local community. The arrangements to manage these works are as follows:

- **From 4 January 2022 to 18 February 2022** the A51 will have 2-way temporary traffic signals in place 24/7 for site access creation
- **From 4 January 2022 to 18 February 2022** Ingestre Park Road will have 2-way temporary traffic signals in place 24/7 for site access creation.

Once we've created the access, we'll introduce the following traffic management:

- **A51 site access:** access signage only from 18 February to 28 October 2022.

- **Ingestre Park Road site access:** access signage only from 18 February to 28 October 2022.
- **Tolldish Lane (plant crossing):** 2-way temporary traffic signals, 24/7 operation from 14 February to 28 October 2022. This will be located around 150m from Tolldish Cottage.
- **Hoomill Lane (plant crossing):** 2-way temporary traffic signals, will be in place 24/7 from 14 February to 28 October 2022.

Traffic signals for plant crossings will permanently be on green and only switched to red to enable safe passage of vehicles and plant between the access road and site.

No amendments to traffic, bus, cycle, walking and riding routes.

### Indicative schedule for gas diversion works:

**January 2022**  
Works to start

**Winter 2022**  
Works to be completed

## Contact National Grid

Please call our community relations team if you have any queries about our work or our role on HS2.

Send an email to:  
[HS2.Info@nationalgrid.com](mailto:HS2.Info@nationalgrid.com)

Call our freephone number:  
**0800 073 1047**

**We're available 7am to 7pm  
Monday to Friday**

## Contact HS2

If you have a general enquiry regarding HS2, please call the HS2 Freephone Community Helpline which remains operational all day, every day, and is your first point of contact should you need advice or information from HS2.

Send an email to:  
[HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)

Call our freephone number:  
**08081 434 434**

A Freephone Minicom service is operated on 08081 456 472 for those with hearing difficulties. You can also write to them at: HS2 Community Hub, High Speed Two (HS2) Ltd, Two Snowhill, Snow Hill Queensway, Birmingham, B4 6GA

## Public Rights of Way (PRoW) closures

We'll also need to temporarily close Footpath Colwich 54 in the interest of safety for users of this route from 11 February to 28 October 2022. We'll post notices in advance of the closure at each end and on any connecting footpaths.

We'll post notices in advance of the closures at each end and on connecting footpaths.

We have permission from Staffordshire County Council for the closures and diversions.
