

Notice of temporary road closure, Kineton Road, Southam

December 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inwarwickshire.co.uk.

What are we doing?

In order to avoid using local roads, during the main construction works, we will be using the internal haul and access roads for our construction traffic, reducing the amount of construction traffic on the local highways.

In order to achieve this, we will have temporary traffic management, in the form of two-way traffic lights, on the Kineton Road for approximately two weeks in early-January. This will be followed by the full closure of a small section of the Kineton road, 24 hours a day, for approximately two weeks in mid-January.

During this road closure, we will be creating a strengthened surface using concrete to ensure that we protect the road and any utilities underneath it for the duration of our works.

As the preparatory works will require large plant and machinery, and time for concrete to set, we are required to fully close these sections of road, 24 hours per day. This is for the safety of road users and our staff, who will be working directly in the centre of the highway.

As the project progresses, it is also necessary to remove vegetation to enable future works to continue and to allow access to areas of the site.

When will these works take place?

Kineton Road will have temporary traffic management from Wednesday 5 January to Sunday 16 January.

Kineton Road will be fully closed, 24 hours a day, from Wednesday 19 January to Monday 31 January, with a diversion in place. We will work to open the roads to reduce disruption as soon as possible.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
