

Notice of utility works update (24 January 2022) - Brackley Lane and Calvert Road, Calvert

January 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more.

What are we doing?

Further to our last community notification in December 2021 we are writing to give you an update on the utility diversion works at Calvert Road and Brackley Lane, Calvert.

As we previously explained we will need to undertake further trenching and connection works in Calvert Road and Brackley Lane which will require traffic management.

Brackley Lane – 24/7 3-way temporary traffic lights

The road composite along Brackley Lane is made up of reinforced concrete which has made our works challenging and has extended the time needed to undertake the trenching works. We have also uncovered uncharted services, which has meant we have had to revisit the design to reconfigure and realigning the services along Brackley Lane.

Due to these delays, it has meant that we will have now had to extend the temporary traffic lights on Brackley Lane by one week until the **25 February 2022**.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

What are we doing continued?

Calvert Road – Overnight Road closure 8pm – 5am

Due to uncovering uncharted services along Calvert Road, we have had to revisit the design to reconfigure and realign the services.

Due to these delays, it has meant that we will have had to extend the overnight road closure and daytime traffic lights by one week until the **14 February 2022.**

Through access to emergency services will be permitted during this road closure. The diversion route will be a repeat of the earlier closure route. (please see map enclosed)

We apologise for the inconvenience caused by the delays.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
