

Notice of traffic management – A45 service road

December 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be completing

On Thursday 27 January we will be carrying out overnight CCTV survey works on the A45 service road, near to Stonebridge Island. For us to carry out these works safely, we will install a lane closure on the westbound A45 off slip for Stonebridge Island. We will also close the service road of the A45, including the exit to the East way. There will be a signed diversion route in place. **The locations of the traffic management are shown overleaf.**

The traffic management will be in place from 9.00pm until 5.00am. Our workforce may be on site 1 hour before and 1 hour after, to set up and secure our equipment.

COVID-19

We are continually reviewing the works on our construction sites in line with the Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
