

# Notice of traffic management B4118 Birmingham Road

December 2021 [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

## The work we will be doing

BBV are due to carry out Ground Penetration Radar (GPR) surveys on the B4118 Birmingham Road near our compound. In order for us to complete this work safely, we will have two-way temporary traffic lights in place on the B4118 Birmingham Road. The traffic lights will be in place from Tuesday 4 January until Tuesday 11 January, excluding weekends. Our working hours will be from 9.30am until 3.30pm. Our workforce may be on site 1 hour before and 1 hour after to set up and take down equipment.

## HS2 during the COVID-19 pandemic

We are continually reviewing the works on our construction sites in line with the Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.
