Working for you.

Old Oak Common

Dear neighbour,

Christmas work near you

Date – Saturday 25 December 2021

Working Hours – 00.01-22.00

Work Near You

Our teams will be carrying out some work which involves fitting some new equipment for the caballing to run through near the Heathrow Express Depot at Old Oak Common on Christmas Day. We do not expect this work to cause any disruption and only hand tools will be used. For the safety of our staff, we need to do this work when there are no trains running and the electrical equipment is turned off and on this day the railway is not operational. We have briefed our team to work in consideration for the local community and to keep any controllable noise to a minimum.

We do hope our work doesn't disturb you but if you have any questions or concerns, please email **NRHS2@networkrail.co.uk** or call our 24-hr national helpline on **03457 11 41 41**. Please note that this email is only monitored during normal office hours, and so any complaints or queries outside of these hours should be directed to the national helpline.

We hope you have a wonderful festive period.

Kind regards,

Hazel Maguire
Senior Communications Manager (HS2)
