

Notice of sewer utility diversion Saltley Business Park

December 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty Vinci is working on behalf of HS2 Ltd to build the new railway in your area.

Sewer utility diversion at Saltley Business Park

Ahead of constructing the new Aston Church Road Overbridge we will be carrying out a sewer diversion within our work area at the Saltley Business Park site.

We expect work to start on Tuesday 4 January 2022 and be ongoing until Monday 28 February 2022. All activities will take place in a securely fenced off area. As we prepare to carry out the work you may see an increase in deliveries to our site.

We do not anticipate any disruption to services during this work. We will ensure the impact of our work is kept to a minimum. Access to Saltley Business Park will be maintained.

What to expect

During this work you may hear some levels of construction noise as we break through concrete and feel low levels of vibration. You may also see deliveries of materials and equipment.

We will monitor and control the levels of disruption during our construction activity and keep this to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Starting 4 January 2022 until 28 February 2022.

Normal working hours
Monday to Friday 8am 6pm.
Saturday 8am – 1pm.

Our contractors will be on site for start-up and shut down for one hour either side of these times.

What to expect

Low levels of construction noise.

You may see deliveries of materials and equipment as we set up the site to carry out the sewer diversion work.

What we will do

Ensure all work areas are safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
