

Notice of construction of concrete reinforced piers – Curzon Street

December 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

Piling Works progress

We previously notified you that piling works would be starting at our Curzon Street site on Monday 13 September. As this work progresses, we expect to start construction of the viaduct's piers in January 2022.

How we will construct the piers

To create the piers, we will erect steel reinforcement on the top of the pile caps before installing the formwork around the reinforcement. The formwork acts as a temporary mould which we will use to pour concrete into to create the pier's smooth architectural finish.

What to expect

We expect to take delivery of a tower crane in early February. The tower crane will be delivered in in parts and will be set up on site over two days using a large mobile crane. Once erected the tower crane will stand at 35m high.

The formwork which will be used as the mould for the concrete to be poured into will be delivered to site in parts and then assembled together on site.

Noise and dust will be carefully managed throughout. Noise and vibration monitoring will be in place throughout these works. We will also use water sprays to reduce dust generated by construction activities.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

January 2022 – December 2022

Monday – Friday

Working times
8.00am -6.00pm

Saturday 8.00am – 1pm

We may be on site up to an hour before the start and end of each shift.

There may be on some occasions a need to work evenings and weekends to complete time critical works.

What to expect

Delivery and erection of tower crane.

Delivery and erection of formwork.

Large construction machinery in the area.

What we will do

Monitor our works to ensure that we are working to the required limits to reduce our impact on our neighbours.

Use water sprays to reduce the amount of dust.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
