

Notice of works to the West of Euston Station

January 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at: HS2inCamden.co.uk

Site access gate Coburg Street

From mid-February until end of March 2022, the existing access gate on Coburg Street below will be used for construction vehicles making intermittent deliveries to the site. The vehicles will be guided by traffic marshals to limit any disruption to the local neighbourhood. We will need to use this access gate again to support our construction works and will continue to write to you again confirming the timing.

What to expect

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but please be assured that every effort is made to minimise any unnecessary noise. Please note that changes to the programme may occur and if these changes are likely to cause any disturbance, we will write to you again.

Notification

Working hours:

- 8am to 6pm weekdays (excluding bank holidays) with an hour either side of these times to set up and close down the site; and
- 8am to 1pm Saturdays
- Some night-time works will be required relating to the closure of the Western Colonnade

What to expect:

- Construction vehicle movements
- Alterations to public walkways
- Hoarding relocation

What we will do:

- Traffic marshals to limit any disruption

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk.

Update on demolition works to One Euston Square and Grant Thornton House Buildings, ongoing until November 2022

We previously wrote to you in November 2021 (HS2-MW-MD-Ph1-Eu-St-S3-Prog-works-32-23/11/2021) to inform you that in order to facilitate the ongoing demolition works at One Euston Square and Grant Thornton House Buildings, the Western Colonnade (pedestrian access between Euston Station piazza to Café Nero) will be permanently closed from mid-December 2021. This external route closure has been delayed and is currently anticipated to be closed from **late-February 2022**. Pedestrian access to offices and shops on the West will be through the station including overnight access. We will install directional signage making clear which routes members of the public can take.

In **March 2022**, we will construct a step-free access to the west of the station adjacent to Melton Street. We will remove and relocation the canopy including widening a section of the piazza near the bus station (see below plan). As we continue with these works, **we will continue to adjust the hoarding in the area and expect the remaining works to be completed in November 2022.**

What to expect

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but every effort is made to minimise any unnecessary noise. We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits. These works will not affect utility connections in the areas. Please note that changes to the programme may occur, and if these changes are likely to cause any disturbance, we will write to you again.

Works will include:

- Ongoing demolition of basements;
- Concrete breaking (this work is expected to be noisy);
- Delivery of materials to and from site;
- Use of plant, including excavators, generators, concrete wagons and mobile crane;
- Alterations to public walkways; and
- Relocation and alteration of hoardings and canopy in the area.

Working hours

- 8am to 6pm weekdays (excluding bank holidays);
- 8am to 1pm Saturdays;
- On occasions it may be necessary to work 8am – 6pm Saturdays and Sundays during weekdays, night-time work (9pm to 5am) will be required for works that cannot take place during the day. This is to reduce the impact on the public and commuters at Euston Station;
- We will start-up and close-down activities up to one hour before and up to one hour after normal working hours above; and
- Intermittent delivery of materials to site before 7am and after 7pm for materials not permitted on London roads during the day.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
