

Notice of overnight road closure update, A41, Fleet Marston

May 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inoxandbucks.co.uk.

What are we doing?

Towards the end of May, there will be a full overnight road closure, for two nights, to install street lighting in the location of the new roundabout on the A41 at Fleet Marston.

A crane will be used to erect the lighting column and place it in the designated position. The road will be fully closed to ensure this operation is carried out in a safe manner as our workforce will be working directly on the carriageway.

To reduce disruption as much as possible, our works will be carried out overnight and access for residents will be maintained.

Our temporary crossing point with traffic lights on the A41 will also continue to be in use until the temporary roundabout is complete and our connection to Lower Blackgrove Road has been established.

When will these works take place?

The A41 Bicester Road will be fully closed overnight on Monday 23 May and Tuesday 24 May 2022 with a signed diversion in place. The road will be closed between 8pm and 6am each night and is expected to be fully reopened by 6am on Wednesday 25 May 2022.

Access for emergency services will be allowed with caution.

As a contingency, should we be unable to complete these works over two nights due to circumstances beyond our control such as weather, we may also need to extend the traffic management measures over the following nights.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Works will take place overnight commencing Monday 23 May and are expected to be completed 25 May 2022.

Overnight hours:

Monday to Friday

8.00pm – 6.00am

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

What to expect

The A41 will be fully closed overnight for two nights in May.

Access will be maintained for residents.

Noise from plant and equipment used for the works.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Continue to maintain communication with local emergency services regarding our road closures.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
