Notice of Survey Work at Ingestre

January 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are writing to make you aware of the next stage of HS2-related work that the British Pipeline Agency (BPA) will undertake.

What we are doing

Due to the future planned HS2 railway development works, BPA need to divert an existing pipeline that will cross the new railway line. From February to September 2022 they will be carrying out initial site surveys and assessments, including ecological, archaeological and ground investigations. Most of these assessments will be carried out between February and April, with follow-up work to be completed afterwards.

Covid-19

We are working in line with Government and Public Health England (PHE) advice on working safely during the pandemic. For all events and engagement, we will carry out a risk assessment and put in place control measures to manage the risk of Covid-19 to the public and our staff. If you have any questions about this, please contact our Helpdesk to find out more. The health and safety of our workforce and the communities we affect is our priority.

How will this affect me?

Works will take place near to Ingestre, within rural fields. For all activity, we will be working Monday to Friday between 8am and 6pm. As the works are largely within rural fields there should be limited disruption to local businesses, although there will be a slight increase in construction traffic.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner
You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
