Ground investigations on Parkway bridge

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

Trial pits on Delancey Street, Parkway and Gloucester Avenue / Oval Road – 18 July to late August

From 18 July to late August, we will carry out surveys to assess the structure of Parkway bridge and inform the design of our works.

We will carry out four trial pits on Delancey Street, Parkway and Gloucester Avenue / Oval Road.

We will use a concrete breaker or vacuum excavator to break out the road, before hand-digging the trial pit. Once we have carried out the survey, we will fill in the hole and reinstate the footway or carriageway. Residents may notice an increase in noise during breaking out, and possible vibration as we compact and fill in the hole. We will use acoustic blankets to limit noise and dust where possible.

We will carry out one trial pit after another, with each pit expected to take about a week to complete. More information about the location and traffic management of each pit is detailed below.

Trail pit 1 – Delancey Street

Trial pit within the footway, opposite Solstice Point (86 Delancey Street). We will require a lane and footway closure to carry out these works. We will provide a pedestrian walkway past our working area.

Trial pit 2 – Delancey Street

Trial pit within the carriageway, in front of 84 Delancey Street. We will require a lane narrowing and parking bay suspensions in front of 76 to 84 Delancey Street, to make way for these works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

18 July to late August

Working hours: Monday to Friday 8am to 6pm & Saturday 8am to 1pm

What to expect

Trial pits on Delancey Street, Parkway and Gloucester Avenue / Oval Road

Lane and footway closures, traffic diversions and parking bay suspensions

What we will do

Provide updates at HS2inCamden.co.uk

Use acoustic blankets to reduce noise where possible

Monitor works to ensure we are operating within limits

Monitor traffic impact and amend traffic management where necessary

Contact our HS2 Helpdesk team on **08081 434 434**

Notification

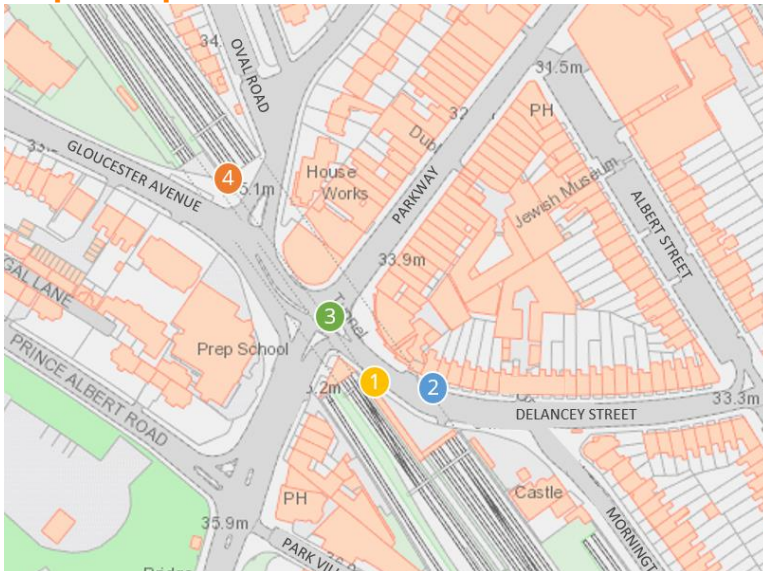

Trail pit 3 - Parkway

Trial pit within the carriageway, in the middle of Parkway junction. We will require lane closures on Parkway and Delancey Street. Traffic travelling straight across the junction from Delancey Street to Gloucester Avenue will be diverted via Parkway, Albert Terrace, and Regent's Park Road. A diversion for cyclists will also be signposted.

Trial pit 4 - Gloucester Avenue / Oval Road

Trial pit within the footway on the corner of Gloucester Avenue and Oval Road. We will require a footway closure and lane narrowing past our working area. Access to pedestrian crossings will be maintained.

Map: trial pit locations

Update: Parkway utility mitigation works

We previously informed you, we need to carry out works to strengthen and divert the utilities beneath Parkway before we begin tunnelling.

We have now confirmed what work is required, and it is significantly less impactful than what was previously expected. We will divert a cable route on Parkway and Delancey Street, line a section of pipework beneath Parkway, and install monitoring equipment on sections of pipework beneath Parkway and Albert Street.

We are still confirming the final programme, however know we will require lane and footway closures and parking bay suspensions on sections of Parkway, Delancey Street and Albert Street. **We do not need to close the road on Parkway to carry out this work.**

We will provide more information about the traffic management before we begin works in autumn 2022.

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
