Utility works on and around Parkway – March to October

February 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Parkway utility works – March to October

We need to protect and divert utility services beneath Parkway junction before we begin tunnelling later this year. From March to October, we will carry out works on Parkway, Gloucester Avenue, Albert Street and Delancey Street.

Overnight lane closure on Parkway - 10 March and 26 to 27 April

We will install lining within a section of the sewer beneath Parkway. On 10 March we will survey the sewer before returning on 26 and 27 April to install the new lining. These works will not be noisy, as we will access the sewer via existing manholes in the road.

We plan to carry out these works at night between 7pm and 7am to reduce the impact on traffic.

We will close the middle northbound lane on Parkway between Prince Albert Road and Gloucester Avenue. **There will be no right-turn from Parkway onto Prince Albert Road.** Traffic will be diverted via Gloucester Avenue, Regents Park Road and St Marks Square. We will remove the traffic management at the end of each shift.

Lane closure on Parkway - 13 March to mid-April

Starting 13 March, we will install monitoring equipment on a section of the Thames Water main beneath Parkway.

We will close a section of the left northbound lane between Prince Albert Road and Gloucester Avenue. The left turn from Parkway onto Gloucester Avenue will be maintained.

Please note, there will be periods of increased noise as we excavate the road to access the water main. We will use acoustic blankets to limit the noise. We expect these works will take about five weeks.

In June we will return to connect and activate the monitoring equipment. We will close a small section of the northbound lane and footway, for about two weeks.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

March to October
(Parkway utilities)

May to early 2024
(Gloucester Avenue -
Thames Water works)

June to September
(Albert Street)

July to August (Delancey
Street)

What to expect

Lane closures

Parking bay
suspensions

No right turn onto
Prince Albert Road
during overnight survey
works on Parkway

What we will do

Keep noise to a
minimum

Coordinate works to
mitigate impact on local
roads

Provide updates at
HS2inCamden.co.uk

Utility works on and around Parkway – March to October

Notification

www.hs2.org.uk

Thames Water works on Gloucester Avenue - May 2023

In May, Thames Water will begin works on Gloucester Avenue. These works are expected to take several months. We will coordinate our works with Thames Water to reduce the impact on local traffic in this area.

Utility works on Albert Street – June to September

In June, we will replace a small section of pipework and install monitoring equipment on the Thames Water main at the northern end of Albert Street. We will narrow the lane and suspend parking bays at the northern end of the street for about ten weeks. We will provide more information about these works closer to the time.

Utility works on Delancey Street and Parkway – July to August

In July, we will begin works to divert a section of the UK Power Networks cable route on Delancey Street and Parkway. We will carry out the works in phases starting on Delancey Street before moving on to Parkway. We will require lane and footway closures and parking bay suspensions. We will also need to close the road at the junction of Delancey Street and Mornington Terrace for about two weeks. We will provide more information about these traffic arrangements and how we will maintain your property access, closer to the time.

See map on next page for an overview of the upcoming utility works on and around Parkway.

Where to find us for a chat – March

We understand living next door to a major construction site can be difficult. We always do our best to reduce our impacts and keep you updated so you can plan around the more disruptive works.

We will be hosting pop-ups at the northern end of Park Village East, opposite the lorry lay-by to answer your questions and talk about our works on the following days:

- 3 March – 12pm to 1pm

Feedback

If you can't attend these sessions, we encourage you to complete our feedback following [this link](#) or using the QR code

Your feedback is important. It helps us better understand what it is like to live near a major construction site and what we can do to help make it a little easier.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
