

Extended working hours to install conveyor elements at the Atlas Road and Willesden Euroterminal site

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

Extended works for ongoing conveyor system installation from 19 February 2022

Works are continuing to install the conveyor system in the Old Oak and Park Royal area. Due to unforeseen circumstances, we need to extend the working hours for our ongoing works next to the conveyor canal crossing in our Atlas Road and Willesden Euroterminal sites.

From the 19 of February 2022 for up to seven weeks, we are planning to extend our working hours from 8am to 8pm, seven days a week. Please note, that this does not mean we will be working continuously during this time. During these works, we will be using both manual and power tools and construction plant machinery. Localised task lighting may be required during overnight works (or during periods of low light).

Residents may notice some additional noise during aspects of these works but be reassured that we will continue to monitor our working methods throughout to ensure any disruption is kept to a minimum.

The location of these works is shown on the map on the following page.

The works area is over 50 metres from our neighbours at Bashley Road, over 75 metres from Stephenson Street and over 170 metres from Harley Road. The works will take place at the opposite end of our Atlas Road site from our neighbours at Midland Terrace and Shaftesbury Gardens, behind the bus garage.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

19 February 2022 to 27 March 2022

Extended working hours will be in place on our Atlas Road and Willesden Euroterminal sites from 8am to 8pm, seven days a week

What to expect

The use of a crane for lifting operations

Use of handheld and power tools

You may notice additional lighting and noise during aspects of these works when using power tools

What we will do

Continue to monitor our working methods to keep disruption to a minimum

Provide updates at HS2.org.uk

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
