

Overnight installation of rainbow crossing on Victoria Road

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

Overnight installation of rainbow crossing

To celebrate LGBT+ history month and celebrate inclusivity in the local area, SCSJV with agreement with Ealing Council will be converting the existing pedestrian crossing on Victoria Road, at the traffic lights between the Castle Pub and Holbrook House, into a rainbow crossing.

The rainbow is an iconic symbol within the LGBT+ community and worldly recognised as a symbol of pride. We hope the crossing will encourage people to think about diversity and inclusivity in their local communities.

Temporary overnight Road changes on Victoria Road

To carry out these works safely and minimise the impact to the road network, work will take place overnight on 26 February between the hours of 10pm and 5am the morning of 27 February. During these works we will need to close a section of road on Victoria Road to paint the crossing markings. A signed vehicle diversion route will be in place during.

We will also need to temporarily close bus stop North Acton Station (Stop Z) next to the Holiday Inn Express on Victoria Road overnight. The next closest stops are Chase Road North Acton (Stop U), North Acton Station (Stop B) and Wales Farm Road (Stop C).

Further details of the road changes can be found on the following page.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
