

Overnight utility surveys on Scrubs Lane

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

Overnight utility surveys on Scrubs Lane

We will be carrying out overnight drainage surveys on Scrubs Lane in two separate locations. Please see the map shown on the map on the following page.

Works will take place on Scrubs Lane during the following dates and times:

- 28 February overnight, between 9pm and 6am
- 01 March overnight, between 9pm and 6am
- 02 March overnight, between 9pm and 6am
- 03 March overnight, between 9pm and 6am
- 04 March overnight, between 9pm and 6am

These surveys will help us understand the condition of the drainage system in the area and how to best protect them during the construction of the new railway.

We will investigate the condition of the sewer system using a camera and may need to flush the drainage using a high-pressure water jet if any blockages are found. You may notice additional noise during this activity. We will continuously monitor our working methods to ensure any noise is kept to a minimum.

Your utility services will not be affected during these works

Temporary changes will be in place on Scrubs Lane during the surveys. More information is included on the next page.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Overnight works from 9pm to 6am the following day on the 28 February to 4 March 2022

We may be on site for an hour before the start and/or end of the shift

What to expect

Overnight lane and footpath closures including pedestrian diversion

Surveying equipment will include a CCTV camera

You may notice additional noise during these works from the tanker water jets should we need to clear a blockage

What we will do

Remind our staff to be mindful of our neighbours

Ensure any disruption is kept to a minimum

Date mentioned in this notification may change, we'll keep you updated at HS2.org.uk

Temporary road changes on Scrubs Lane

To carry out these works safely, there will be an overnight lane and footpath closure on Scrubs Lane in the following locations:

- between 253 Scrubs Lane and UK Tyres
- between Big Yellow Storage and the railway bridge

You will still be able to drive and walk along Scrubs Lane but there will be temporary traffic lights to aid traffic flow. Alternative pedestrian crossings and walkways will be clearly signed overnight during these works. Access to local businesses will not be impacted as the traffic management will be removed during working hours.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
