

Notice of ground investigations on Alperton Lane

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at www.hs2.org.uk.

Works planned on Alperton Lane from 17 February

As part of our ongoing works to prepare for future construction of the HS2 tunnels, we will be carrying out utility surveys on Alperton Lane.

We will use handheld tools to dig a temporary trench to confirm the location of utility services under the footpath. These surveys will take approximately 10 days from 17 February until 25 February 2022.

Our working hours

We will be working during our core hours from 8am to 6pm, Monday to Friday. Temporary traffic management will be in place on Alperton Lane for the duration of these works, please see further information below.

How the trial holes might affect you

During these surveys works, a temporary footpath closure will be in place to protect staff and the public. A clearly signed diversion route will be in place. The location of these works shown on a map on the following page and a clearly signed diversion route will be in place.

Your utility services will not be affected.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Utility surveys on Alperton Lane and Rydal Crescent

From 21 and 22 February 2022, we will be carrying out utility surveys on the junction with Alperton Lane and Rydal Crescent. The survey will be carried out during the day between 8am and 6pm.

We will use ground penetrating radar to carry out these surveys. We will use scanning equipment to create a map of the utility services below the footpath. They will be marked using biodegradable spray paint. Once the survey of the site is complete, photos of the paint marks will be taken to record the location of the utilities.

A temporary footpath closure and parking bay suspensions will be in place during the day on Rydal Crescent.

Dates mentioned in this notification may change. We will continue to provide updates about our works at HS2inyourarea.co.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
