

Plant crossings at A412 North Orbital Road and Moorhall Road

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority.

Periodic short term evening road closures

To enable the crossing of heavy or abnormal loads between the HS2 compounds on either side of A412 North Orbital Road, near Denham Water Ski Club, and between Moorhall Road North and South compounds in Hillingdon, short road closures will be required on occasion during the evenings from February 2022 to late July 2022.

These plant crossings are infrequently required, but when they are they will be scheduled for late evenings between 10pm and 1am to minimise disruption. When a temporary closure is put in place there may be 15 minutes intervals when traffic will be held in both directions at either of these junctions with our haul road. We appreciate that this is frustrating for anyone waiting at the traffic signals, however, these closures are to facilitate the safe crossing of heavy machinery,

Residential access to properties either side of the traffic lights on both the A412 and Moorhall Road will not be affected but may be subject to delay when plant is crossing. Please see map below for location of closures.

We apologise for any inconvenience that these plant crossings may cause and thank you for your ongoing patience.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

February - July 2022

Monday-Friday nights,
between 10pm – 1am

What to expect

Delays to journeys on A412 North Orbital Road and Moorhall Road periodically for 15 minutes intervals between the dates and times above

What we will do

We will safely hold traffic at signals whilst heavy plant or abnormally long vehicles cross the road junctions with the haul roads on the A412 and Moorhall Road

Maintain residential and business access during the closure. Residents wishing to travel through the traffic lights will be held at the signals during the short-term closures.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
