

Notice of full road closure, Wormleighton Road

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2inwarwickshire.co.uk.

What are we doing?

During our main construction works, we will be using internal haul and access roads for our construction traffic, reducing the amount of construction traffic on the local highways.

To achieve this, the Wormleighton Road will be fully closed for approximately two weeks in February, 24 hours a day.

During this road closure, we will be building highway crossing areas. A strengthened road surface will be created using concrete to ensure that we protect the road and any utilities underneath it for the duration of our works. Once the highway crossing area is complete, the crossings will be signal controlled. The traffic lights will only be activated during our operating hours and will ensure safe, controlled crossing from our works sites across the highway.

As the preparatory works will require large plant and machinery, and time for concrete to set, we are required to fully close these sections of road, 24 hours per day. This is for the safety of road users and our staff, due to this section of Wormleighton Road being narrow.

As the project progresses, it is also necessary to remove localised areas of vegetation to enable future works to continue and to allow access to areas of the site.

When will these works take place?

Wormleighton Road will be fully closed, 24 hours a day, from Monday 21 February to Monday 7 March, including weekends, with a diversion in place. Some weekend working may be required.

We will work to open the roads to reduce disruption as soon as possible, some weekend working may be required to achieve this.

Duration of works

Works will commence
Monday 21 February 2022

Works are expected to be
complete Monday 7 March
2022

Normal working hours:

Monday to Friday

8.00am – 6.00pm

Saturdays

8.00am – 1.00pm

24-hour road closure

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

What to expect

Varied activities with both quiet and busier periods.

24-hour road closure to allow concrete to set.

Some additional traffic.

Noise from plant and equipment used for the works.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
