Working for you.

Area reference: LEC1 0m

Dear neighbour,

Diesel retrieval at Euston Station

**Date – Friday 04 March – Friday 11 March
2022**

Working Hours – 20.00-05.00

Overnight Work Near You

We would like to update you on some overnight work that will be taking place near you over the week of **Friday 04 March – Friday 11 March 2022**. We need to remove the diesel from our tanks at Euston station. A tanker will enter the station off Eversholt Street and park within the station building. We will then extract the oil from the tanks using a pump mounted to the tanker and leave before the station opens. There will be one truck entering the station per night between the hours of **20.00-05.00**.

If any of our plans change, we'll advise you via the HS2 in Camden website. Please sign up to receive news alerts at:
www.HS2inCamden.co.uk

We do not expect our work to cause any disruption but wanted to keep you updated. If you have any questions or concerns, please email NRHS2@networkrail.co.uk or call our 24-hr national helpline on **03457 11 41 41**. Please note that this email is only monitored during normal office hours, and so any complaints or queries outside of these hours should be directed to the national helpline.

Kind regards,

**Emily Hanlon
Community Relations Executive (HS2)
