

# Works to hoarding between Coniston and Cartmel

April 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

## Notification

High Speed Two (HS2) is the new high speed railway for Britain.

We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. If you have any questions about this, please contact our Helpdesk to find out more.

## Update: piling between Coniston and Cartmel

We are currently preparing the section of our worksite between Coniston and Cartmel for piling.

We are using an excavator to level our worksite and clear underground obstructions before we install a working platform to provide a flat and stable surface for piling machinery. We create the platform by putting a thick layer of dirt and rocks on top of the ground and packing it down with a roller. The heavy roller vibrates to compact the dirt, however we don't use the vibration setting when working within 15 metres of residential buildings. There may be periods of increased noise as we remove concrete and obstructions from our worksite and install the platform. We are sorry for the disruption.

We expect to start sheet piling onsite between Coniston and Cartmel in May, working our way from north to south. We then expect to start main piling (auger piling) in summer.

## Works to hoarding – starting 21 April

We need to move a section of our site hoarding next to Cartmel carpark to make way for piling activities. We will move the hoarding about 2.5 metres out to the site boundary line, between Cartmel and Coniston.

Please see the next page for detail of these works.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)**

## Works to hoarding – starting 21 April

Starting 21 April, we will install temporary fencing in the garden next to Cartmel carpark to secure our worksite while we move the hoarding. We will take down the existing hoarding, survey the area to check for services beneath the ground, level the ground and remove obstructions using an excavator, before reinstalling our hoarding along the site boundary. Once we have realigned the hoarding, we will remove the temporary fence.

There may be periods of increased noise as we clear and level our worksite, we will use acoustic blankets to limit noise where possible.

We expect these works to take about three weeks.

## Where to find us for a chat

Our engagement team is available every Wednesday from 3pm to 4.30pm to answer questions and talk about our works. You'll find us walking around the area on Stanhope Street, Harrington Street, Robert Street or Varndell Street, wearing green high visibility vests.

Further information about HS2 engagement events in Camden can be found on the HS2 website.

## Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
