

## Notice of WPD construction works

March 2022 [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

### What are we doing?

In order to prepare for the future Interchange Station and railway, Western Power Distribution need to carry out work on the A452 Chester Road outside Melbicks Garden Centre. The work will include excavating in the Southbound carriageway verge.

In order to undertake the work safely a southbound lane closure on A452 Chester Road will be in place from 7pm until 6am between Monday 14 March and Thursday 31 March 2022.

Additionally, temporary overnight closures of the southbound carriageway will be in place for two nights from 8pm until 6am on Tuesday 29<sup>th</sup> and Wednesday 30<sup>th</sup> March 2022.

Maps showing the location of the works are on pages 2 and 3 of this notice.

### How will this impact you?

Western Power Distribution has a responsibility for delivering electricity services to homes and businesses across the region, and will ensure that the impact of any work is kept to a minimum.

Where required, diversionary routes will be fully signed for road users.

### HS2 during the coronavirus pandemic

We are continually reviewing the work on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.
