

Notice of utility works preparation near Common Lane, south of King's Bromley

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. To allow for the construction of the new railway and to continue to ensure a safe and reliable gas supply, Cadent is moving an underground gas pipeline near Common Lane, south of King's Bromley. We will start main work to move the pipeline in April 2022 and expect all work to be completed by winter 2022.

What are we doing?

Before we start main work to move the pipeline, we will be carrying out some preparation activities, in early March 2022. The work will involve:

- setting up a site access off Common Lane. Vehicles will use the existing bridlepath to access our working area.
- carrying out archaeological works and preparation activities on land off Common Lane, including digging trenches.

Vehicles will be accessing our working area from Common Lane, via the A515 northbound. We will be using our existing temporary works compound on land off Common Lane, south of King's Bromley, to carry out this work.

There will be 24-hour security on site so we can maintain a safe working environment. Please note, there will be no on-site lodging.

How will this affect you?

So that our vehicles can enter and exit the site safely, Common Lane will only be accessible to residents and our construction vehicles. Signage will be installed on the roadside at this location to make road users aware.

All work will take place within standard HS2 working hours, and will be undertaken using standard industry methods. As the work progresses we will send you notifications to let you know what will be happening.

COVID-19

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of preparation works

- Early March 2022 until April 2022
- Our working hours will be 8.00am to 6.00pm (Mon-Fri)
- We will be on-site one hour either side of these times for set-up and close-down

What to expect

- Work taking place on land south of King's Bromley
- Vehicles accessing the site from Common Lane, which will be residential access only
- No construction traffic using Crawley Lane

What we will do

- Make sure all construction vehicles use agreed routes
- Maintain a safe and secure working environment
- Inform people in advance of any changes

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

To find your local Commonplace website, visit:
<https://hs2.commonplace.is/>

For further information about Phase 2a and Phase 2b, visit :

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:

complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website:
