HS2

Notice of overnight road closure along the A446 and associated lane closures

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by a joint venture between Laing O'Rourke and J. Murphy & Sons known as LM. In your area, we are working near the A452, A45 and M42, which surround the site of the future HS2 Interchange Station.

We're improving the local road network

When the future HS2 Interchange Station is operational, four new highways bridges will connect the current road network to new routes we are creating. The second of these new highways bridges was safely installed in October 2020 over the A446. We're carrying out various activities to fully complete the construction of this bridge including monitoring before ownership is handed over to the highways authority.

We'll be starting work on Monday 28 February

To carry out this work safely, we'll install a temporary, overnight road closure along short sections of the A446 northbound and southbound from **8pm on Monday 28 February to 6am on Tuesday 1 March**.

A signed diversion route will be in place for road users during this road closure. Our contractors may be on site up to an hour before and after these times to set up and close down the site.

To facilitate this road closure, temporary single lane closures will also be installed along short sections of the A452 northbound and A446 southbound from 8pm on Monday 28 February to 6am on Tuesday 1 March.

This schedule is subject to change depending on site and weather conditions, obtaining the relevant consents and evolving measures to combat coronavirus. We'll keep you informed of any adjustments at: www.hs2insolihull.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Overnight road closure along short sections of the A446 northbound and southbound from 8pm on Monday 28 February to 6am on Tuesday 1 March.

What to expect

This work is subject to obtaining the relevant consents.

Our contractors may be on site up to an hour before and after these times to set up and close down the site.

What we will do

Keep all sites safe and secure.

Leave the area in a tidy state when works are complete.

Maintain access to all buildings and businesses in the area.

Install clear directional signage for road users.

HS2's interactive works map

We have introduced a new, user-friendly interactive map to the HS2 website, making it easier and simpler for you to find out what current and upcoming works we are carrying out in your area.

The new map brings all of our work notifications together on one webpage, making it easier for you to navigate and ensure you are kept up to date on the work we are doing to deliver the new railway. There is also a text only view, which allows you to view the information in a table and filter results for each area.

Each work item, highlighted on the map with a 'hard hat' icon, lets you know:

- the location and planned duration of the works
- which contractor is delivering it
- what kind of activity they are doing, such as setting up a compound or an archaeological dig

To access the map, please visit: www.hs2.org.uk/in-your-area/map

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses across Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: www.groundwork.org.uk/hs2funds

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
