

Notice of lane closure on Rock Hill, Hints

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

To support our construction activity within the area we will be undertaking ground investigations to understand ground conditions and soil types within the specified area shown on the map below. This information will inform our design and allow us to safely proceed with our works. To carry out this work we may need to undertake some very localised vegetation clearance along the roadside.

How you will be affected

Whilst we undertake our work, to ensure the safety of road users and our workforce, we will be installing a single lane closure and temporary traffic lights along Rock Hill. The traffic lights will be in place for **approximately two days from Wednesday 23 March**.

Where we will be working

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
