

Hedge cutting and shrub clearance at the access road to Carr Road allotments

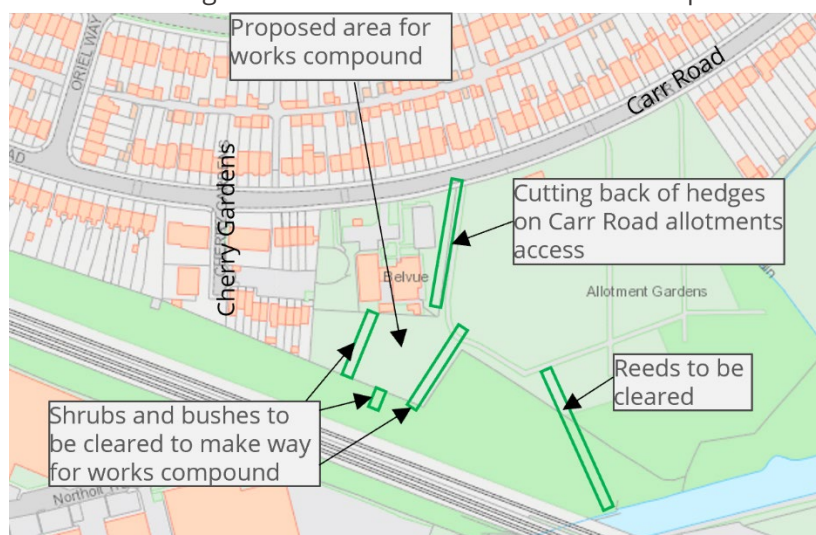

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more.

You can sign up for regular updates in your local area at hs2inhillington.co.uk.

What we are doing

We wrote to you on 7 February to advise you we would be carrying out clearance works in the area below. These works will now take place from 28 February to 4 March. In preparation for the start of tunnelling later this year, we need to protect the sewer in this location. We need to set up a works compound on the Network Rail land (as shown on the map) from which we can carry out the sewer protection works. However, before we do that, we will need to clear the hedgerow on the allotment access road and clear areas of vegetation and reeds as marked on the map below.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
