

Updated notice of traffic management -Duddeston Mill Road

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

Demolition of existing wall and footbridge

We previously notified you that we would need to reschedule our works to remove a wall and maintenance footbridge on Duddeston Mill Road due to the recent storms. We now plan to carry out this work from Wednesday 30 March to Sunday 10 April.

To minimise our impacts, operatives will use hand tools and a Mobile Elevated Work Platform to demolish the wall. This process will allow us to carry out the work with minimal noise. We will also minimise our impact as we remove the footbridge by using a crane to lift it out, this will remove the need for much noisier mechanical demolition.

Temporary lights and road closure and pedestrian diversion route

To enable us to carry out these works safely and effectively, we will need to put in place the following traffic management:

Wednesday 30 March – Friday 1 April - two-way temporary traffic light signals, along a section of Duddeston Mill Road. On the Friday we will also provide a signed alternative route for pedestrians. These will be operational from 9.30am until 3.30pm.

Saturday 2 April – Sunday 3 April and Saturday 9 April – Sunday 10 April - Road and footpath closure along a section of Duddeston Mill Road with diversion routes. These will be in place from 10.00pm on 2 April until 10.00am on 3 April and again from 10.00pm on 9 April until 10.00am on 10 April.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
